MEMO ENDORSED

Dear Sir/Madam:

I am writing to you regarding the above-noted Matter and to acknowledge receipt of Judge Katz Approval of my request for additional time to serve the defendants of my letter dated February 27, 2008, which I received on the afternoon of March 17, 2008.

I also want to point out to the court that at the time of requesting the additional time in my letter to the court dated February 27, 2008 that I had not received from the court copies of the amended summons despite of having filed the amended summons on February 20, 2008. In fact I only received copies of the amended summons dated March 5, 2008 on the afternoon of March 10, 2008, which was sent to me by the court by FedEx Priority Overnight Mail Postmark Friday March 7, 2008. The instructions states that I have 120 days from date of the summons to serve the defendants.

Nevertheless, although I have served some of the defendants using the old summons the delay in receiving the amended summons might affect my ability

to meet the deadline set by the court of March 24, 2008, which to served the defendants that remain to be served, because of my restriction in movement for the last 30 days since my letter of February 27, 2008.

Moreover, the services of the summons and complaint and the remaining defendants will be accounted by Orange County Sheriff's Department and receiving the documents from me to be served, which I hope to be mailing to them before or by March 24, 2008.
